INTRO: 2 gtr prog alone / 2 band in

Well, I took a walk around the world To ease my troubled mind
I left my body laying somewhere In the sands of time
But I watched the world float to the dark side of the moon
I feel there is nothing I can do, yeah.

2 progs

I watched the world float to the dark side of the moon
After all I knew it had to be something to do with you
I really don't mind what happens now and then
As long as you'll be my friend at the end

CHORUS:
Bm G A
If I go crazy then will you still Call me Superman
Bm Em F#m Bm
If I'm alive and well, will you be There a-holding my hand
Bm G A Bm
I'll keep you by my side With my superhuman might
Bm Em - F#m
Kryptonite

2 progs

You called me strong, you called me weak, But still your secrets I will keep
You took for granted all the times I never let you down
You stumbled in and bumped your head, If not for me then you'd be dead
I picked you up and put you back On solid ground
