Oh no, here you comin' down the road  
 With your cotton dress a swishin', you gettin' some attention  
 From all the boys in Thibodaux.

Oh my, you're really fillin' up their eyes  
 Smilin' and a winkin', I know what they're thinkin'  
 But I'm the only one who loves you so!

Oh no, the hottest little dish I know  
 I know you can tell it, you makin' me so jealous  
 From my head down to my toes

 The way that you're a-lookin', you got me a-cookin'  
 And I ain't talkin' 'bout Etoufee'
