Okay, what is it tonight?

At least just tell me what the hell is wrong,

Do you want to eat, do you want to sleep, do you want to drown?

Just settle down, settle down, settle down...

I'll give you give candy, give you diamonds, give you pills,

Give you anything you want, hundred dollar bills,

I'll even let you watch the shows you want to see,

Just marry me, marry me, marry me...

[2 Riffs]

I'm so sick of you tonight,

You never stay awake when I get home,

Is something wrong with me, something wrong with you?

I really wish I knew, wish I knew, wish I knew...

I'll give you candy, give you diamonds, give you pills,

Give you anything you want, hundred dollar bills,

I even let you watch the shows you want to see,

Because you married me, married me, married me...

Married me, married me, married me...

[Riffs are in during "married me" – then 2 Riffs after vocals stop – then]

Breakdown BASS [4x, ad lib]

When I was young I learned a game |

Now I'm older and I don't play |

I got wasted, she got mad |

He got crazy and I did too |

Where love and happiness were the same,

I found out the hardest way,

Called me names and she called her dad,

Wondered what I did to you.

I'll give you candy, give you diamonds, give you pills,

Give you anything you want, hundred dollar bills,

I even let you hear the songs I want to sing,

I'll give you anything, anything, anything (2x)

I'll give you anything, anything, ANYTHING! –

Anything... Anything...

[ad lib: end after 4x "anything" ...]
