Marry me girl be my ferry to the world, be my very own constellation

A teenage bride with a baby inside getting high on information

And buy me a star on the boulevard - It's Californication

Space may be the final frontier but it's made in a Hollywood basement

An' Cobain can you hear the spheres sing songs off station to station

And Alderaan's not far away - It's Californication

Born and raised by those who praise control of population

Everybody's been there and I don't mean on vacation
