VERSE:

Bm **A**
Hello / Is there anybody in there ?
G **D/F# - Em**
Just nod if you can hear me
Bm
Is there anyone at home ?

Come on now / I hear your feeling down
I can ease your pain / (And get you) On your feet again

Relax / I'll need some information first
Just the basic facts / Can you show me where it hurts?

LEADUP:

D **A**
There is no pain you are receding
A distant ship smoke on the horizon
C **G**
You are only coming through in waves
Your lips move but I can't hear what you're saying
D **A**
When I was a child I had a fever
My hands felt just like two balloons
C **G**
Now I've got that feeling once again (I can't explain - you will not)
Understand / This is not how I am.

CHORUS:

A - Bm - C **G** **D**
I --- ---- have become comfortably numb.

GUITAR SOLO #1

D - A D - A C - G C - G

CHORUS

Okay / Just a little pinprick
There'll be no more aaaaaaaah! / But you may feel a little sick

Can you stand up? / I do believe it's working, good
That'll keep you going through the show / Come on it's time to go.

LEADUP FIRST HALF SAME
(second half)

When I was a child, I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone / I cannot put my finger on it now
The child is grown / The dream is gone
