You jump in front of my car, well you - you know all the time,
Ninety miles an hour, girl is the - speed I drive
You tell me it's alright, you don't mind a little pain
You say you just want me to, **take** you for a drive

(You're just like) Crosstown traffic
So hard to get through to you
Crosstown traffic
I don't need to run over you
Crosstown traffic
All you do is slow me down
And I'm tryin' to get on the other side of town

I'm not the only soul who's accused of hit and run
Tire tracks all across your back, I can, I can see you had your fun - but-a
But, darlin' can't you see my signals / turn from green to red
And with you I can see a traffic jam / straight up ahead

(You're just like) crosstown traffic
So hard to get through to you
Crosstown traffic
I don't need to run over you
Crosstown traffic
All you do is slow me down
And I got better things on the other side of town
