EVERY ROSE HAS ITS THORN   POISON

F#
We both lie silently still
        B9
in the dead of the night
Although we both lie close together
We feel miles apart inside

        F#   **B9**
Was it something I said or something I did
Did my words not come out right?
        C#
Though I tried not to hurt you
        B9
Though I tried, But I guess that's why they say

CHORUS:
F#   **B9**
Every rose has its thorn
Just like every night has its dawn
        F#   C#   **B9**   **F#**
Just like every cowboy sings his sad, sad song
F#   **B9**
Every rose has its thorn

(Yeah it does)

SOLO 4 bars (Verse prog)

I listen to her favourite song playing on the radio
Hear the DJ say love's a game of easy come and easy go
But I wonder does he know, Has he ever felt like this?
And I know that you'd be here right now, If I could let you know somehow (I guess)

CHORUS

BRIDGE:
Ebm   **C#**   **B9**   **F#**
Though it's been a while now / I can still feel so much pain
Like a knife that cuts you the wound heals / but the scar, that scar'll remain…

SOLO (F# - B9 2x / Ebm - C#- B9 - F# 2x)

I know I could saved a love that night
If I'd known what to say
Instead of makin' love
We both made our separate ways

And now I hear you found somebody new
And that I never meant that much to you
To hear that tears me up inside
And to see you cuts me like a knife (I guess)

CHORUS
