RIFF / CHORUSES:

C#m - B - A-A / **A - E/G# - E** / **A - E - B** / **A - E - B**
[notes] c#-e-c#-b [chord] A-A / **A - E/G# - E** / **A - E - B** / **A - E - B**

A **E**
Life's like a road that you travel on There's one day here and the next day gone
B **E**
Sometimes you bend, sometimes you stand Sometimes you turn your back to the wind

There's a world outside every darkened door / Where blues won't haunt you anymore
For the brave are free and lovers soar / Come ride with me to the distant shore

LEADUP 1:

C#m **B**
We won't hesitate / To break down the guarding gate
A **F#m7**
There's not much time left today, yeay

CHORUS:

Life is a highway, I wanna ride it all night long
If you're going my way, I wanna drive it all night long

Through all these cities and all these towns / It's in my blood and it's all around
I love now like I loved you then / This is the road and these are the hands
From Mozambique to those Memphis nights / The Khyber Pass to Vancouver's lights
They knock me down and back up again / You're in my blood I'm not a lonely man

LEADUP 2:

There's no load I can't hold / The road's so rough this I know
I'll be there when the light comes in / Just tell 'em we're survivors

CHORUS 2x

BRIDGE: **F#m - A - Dm - C**

There was a distance between you and I (between you and I)
A misunderstanding once / But now, we look it in the eye Ooooo...Yeah!

SOLO (CHORUS prog. 1x)

END: Take Riff to its logical end [see live version]
