

ONE HEADLIGHT Wallflowers

Opening chord: D
Drums: 2 BARS solo
Then VERSE prog: **G - D - F# - Bm**
(1 prog bass only, then 1 prog. with gtr licks)

Key: G
tempo: 108

So long ago, I don't remember when
That's when they say I lost my only friend
Well they said she died easy of a broken heart disease
As I listened through the cemetery trees

1 PROG.

I seen the sun comin' up at the funeral at dawn
The long broken arm of human law
Now it always seemed such a waste / She always had a pretty face
So I wondered how she hung around this place

Tag before Chorus: G - F# (2 bars each)
Heeey! ---

CHORUS:

G **D**
Come on try a little / Nothing is forever
Em (walkup F# chromatic) **A**
There's got to be something better than / In the middle
But me & Cinderella, We put it all together
We can drive it home / With one headlight
(Chorus 1, 2: 1 bar after "drive it home")

1 prog after chorus

She said it's cold, It feels like Independence Day
And I can't break away from this parade
But there's got to be an opening / Somewhere here in front of me
Through this maze of ugliness and greed
And I seen the sun up ahead / At the county line bridge
Sayin' all there's good and nothingness is dead
We'll run until she's out of breath / She ran until there's nothin' left
She hit the end -- it's just her window ledge

TAG, then CHORUS

2 prog before Vs.3

Well this place is old / It feels just like a beat up truck
I turn the engine, but the engine doesn't turn
Well it smells of cheap wine & cigarettes / This place is always such a mess
Sometimes I think I'd like to watch it burn
I'm so alone, and I feel just like somebody else
Man, I ain't changed, but I know I ain't the same
But somewhere here / in between the city walls of dyin' dreams
I think her death, it must be killin' me

TAG, then CHORUS
