UPDATE: 2013-DEC-9

**INTRO: C7+4 (4x)**

**Cm Eb**  
I can hear the couple fightin' right next door  
**F Eb Cm**  
Their angry words sound clear through these thin walls  
Around midnight I heard him shout "unfaithful woman!"  
And I knew right then the axe was gonna fall.  
**Bb Cm**  
It's because of me, it's because of me.

I heard him shout "Who is he?", she mumbled low  
He said "Baby don't you lie to me no more!"  
And I'm listening through these thin walls in silent shame  
As she called out my name I was right next door

It's because of me, it's because of me.  
Because of me, it's because of me.

**CHORUS: Ab - Bb - Cm**

Oh, she was right next door and I'm such a strong persuader  
And she was just another notch on my guitar.  
She's gonna lose the man that really loves her

**Eb -- Cm - Bb - Ab tag G**

In the silence I can hear their breaking hearts. (Oh whoa whoa)

**INSTRUMENTAL Ab - Bb - Cm 4x**

*[Intro Riff] C7+4 (4x)*

At daybreak I hear him pack and say goodbye  
I can hear him slam the door and walk away  
Right next door I hear that woman start to cry  
I should go to her, but what would I say?

It's because of me, it's because of me  
Because of me, young blood.

**CHORUS**

Oh, she was right next door and I'm such a strong persuader, ETC. 2X

**OUTRO SOLO Ab - Bb - Cm 4x**
