Well, I'm a slow walker but girl I'd race a mile for you
To get there in time for a peek-a-boo rendez-vous
Now maybe it's the way you wear you're blue jeans so tight
I can't put my finger on what you're doing right
Yeah yeah, there's something 'bout you baby I like [*INTRO RIFF*]

THE STRANGERS version:

Do Verse 3 full, then
Tag last line **F# - F 2x** -
End on **Bb**

Now when I go home to sleep I turn out the light
You come strolling through my dreams 'most every night
Yeah yeah, there's something 'bout you baby I like
I'm standing on a corner hiding by the telephone

I'd like to check you over, I know you like a fine tooth comb
Now I don't need astrology to tell me what's right
The sign I'm looking at is such a beautiful sight
Yeah yeah, there's something 'bout you baby I like... ah ah

I said, yeah yeah, there's something 'bout you baby I like
I said, yeah yeah, there's something 'bout you baby I like... ah-a
I said, yeah yeah, there's something 'bout you baby I like... mm-m
I said, there's something 'bout you baby I like
Gotta say it again
I said, yeah yeah, there's something 'bout you baby I like... uh-oo
[fade out]
I said, yeah yeah, there's something 'bout you baby I like
