INTRO: Bass line riff, with gtr noises.
*Bass line riff is actually 14 bars before CHORUS starts,
But make it 8 bars or 12 bars. Watch MD.*

CHORUS:

Sweet emotion | Sweet emotion.

Talk about things that nobody cares
Wearin other things that nobody wears
Y'callin my name but I gotta make it clear
I can't tell you baby where I'll be in a year. (I got no plans.)

Riff 4x

Some sweet-hearted mama with a face like a gent
Said my get-up and go musta got up and went
Well I got good news she's a real good liar
Cos her backstage booty set your pants on fire. (yeh)

Riff 8x

CHORUS

I pulled into town in a police car
Yer daddy said I took it just a little too far
Yer tellin them things but yer girlfriend lied
You can't catch me cos the rabbit done died. (yes it did!)

Riff 4x

You standin in the front just-a shakin yo ass
I'll take you backstage, you can drink in my glass
I talk about somethin you can sure understand
Cos a month on the road and I'll be eatin from your hand
[Cos a month on the road and I'll be comin in your hand]

Riff 8x
