INTRO:

G - F - C

Sometimes I feel I am gettin' kind of low
Thoughts I am thinking are the reason so
I try to remember without talking to myself
Things that I said or maybe things that I felt about you.

Sittin' in the corner of a crowded barroom
People all around me and I still feel alone
Just when I know I'm gonna break down and cry
Someone plays a tune that drive the tear from my eye.

CHORUS:

There goes another love song
Someone's singing about me again.
There goes another love song
Now I need more than a friend--end.

SOLO

Lonesome and lonely and far from my home
Trying to get back to where I know I belong
Wishing and a-hoping I was already there
I just heard a voice whispered in my ear, singing --

CHORUS

riff x 4
Doo-doo-doooo -- doo doo.. 4x
