I will come for you at night time		I will raise you from your sleep

I will squeeze the life out of you		You will make me laugh and make me cry

LICK: E (E4) - A (A4) - B (B4)

I dreamed of you at night time		And I watched you in your sleep
And I've met you in high places		I touched your head and touched your feet
So if you disappear out of view		You know I will never say goodbye
<u>And though I try to forget it</u>		<u>You will make me call your name</u>
<u>And I'll shout it to the blue summer sky...</u>
