

Won't Get Fooled Again

The Who

Key: A
Speed: 134

A G - D
We'll be fighting in the streets
With our children at our feet
A E C - G
And the morals that they worship will be gone
A G - D
And the men who spurred us on
Sit in judgement of all wrong
A E C - G
They decide and the shotgun sings the song

CHORUS:

D A D A
I'll tip my hat to the new constitution
Take a bow for the new revolution
Smile and grin at the change all around
G E
Pick up my guitar and play
Just like yesterday
G D
Then I'll get on my knees and pray
D A - G - D
We don't get fooled again

The change, it had to come / We knew it all along
We were liberated from the fold, that's all
And the world looks just the same / And history ain't changed
'Cause the banners, they are flown in the next war

CHORUS

BRIDGE:

B E
I'll move myself and my family aside / If we happen to be left half alive
A B
I'll get all my papers and smile at the sky / Though I know that the hypnotized never lie - Do ya?

'B' riffs: Listen for guitar cue to go into power chords: modulate back down to 'A' power chords.

There's nothing in the streets / Looks any different to me
And the slogans are replaced, by-the-bye
And the parting on the left / Are now parting on the right
And the beards have all grown longer overnight

CHORUS

GUITAR SOLO:

*Wait for cue to hit power chord 'A' and fade out while drums keep kick going in time.
Drums do four fills into big YEEEEEH!*

Yeaaaaaaaaaaaaaaaaaaaaaaaaah!
Meet the new boss / Same as the old boss.

*Bass Riff 4 x
Guitar Riff 2 x*

END: *Five bangs.*
